

# Together We Prevent, Together We Fight against COVID-19

- Be cautious of your actions when traveling across prefectural borders -

## To Hyogo citizens

- Refrain from unnecessary and non-urgent visits to areas where the resurgence of infections has been observed.  
**In particular, refrain from visiting facilities outside the prefecture including eating and drinking establishments that serve alcohol and/or provide individual customer services, as well as karaoke parlors.**
- **Take thorough prevention measures when having guests/family members from outside the prefecture during the summer “bon” holidays.**
- Avoid using facilities that do not implement infection prevention measures.  
- No dining or drinking in groups.    - No speaking loudly.    - Young people should pay extra attention.
- Elderly people and those with underlying conditions should avoid unnecessary and non-urgent outings.
- Be sure to follow the “Hyogo Style.”

## To Hyogo-based business operators

- Thoroughly practice infection prevention measures based on each industry’s guidelines and put up the “infection control poster.”
- Register for the “Hyogo new coronavirus tracing system,” and then download and post the QR code in your facility.
- Promote telecommuting, TV conferencing, and rotating work schedules.
