◆ Kobe Festival

This early-summer event is one of the most well-known festivals in Kobe. Festivals in each ward take place on May 19, and the Main Festival is held on May 20, featuring the parade, stage events and market events. Stalls that sell Japanese food and dishes from around the world will be put up, creating an international atmosphere typical of Kobe. Visitors will be able to discover the charms of each area of Kobe at this popular event.
Festival period: May 18 (Fri.), 19 (Sat.), 20 (Sun.), 2018

◆ Hyogo Prefecture and Miki City registered as “Host Town” for the Tokyo Olympics

Hyogo Prefecture and Miki City were jointly registered as a “Host Town” for the Tokyo Olympics, a national program designed to inspire local governments to host pre-Games training camps for national teams from around the world that will participate in the Tokyo 2020 Olympic and Paralympic Games and enhance continued exchange with the relevant country. Hyogo Prefecture and Miki City are jointly planning to interact with the French athletic team. Seven cities and towns within Hyogo Prefecture have already been registered as Host Towns.
