◆ Let's Think Together! What we can do~

This is a seminar to learn and think about earthquakes that are happening all around the world today, not only in Japan. Let's think about what we can do now to prepare for the inevitable earthquake.

Date March 18, 2023 (Saturday) 14:00-17:00

Place Disaster Reduction and Human Renovation Institution (DRI)

Cost Free

Language English & Japanese

Intended for International students, Japanese students, adults

Details Part 1: 14:00-15:30 (Lecture)

- Let's learn about earthquakes that have occurred around the world
- What can we do to live safely in Kobe?

Part 2: 15:30-17:00 (Museum tour)

- Let's learn more about earthquakes through seeing and touching.

Lecturer Abel Táiti Konno Pinheiro, PhD researcher, Disaster Risk Reduction
