

Hyogo Culture Pass

**Guide to
Associate Facilities**

2019

Hyogo International Association

For college and pre-college students studying in Hyogo

Hyogo Culture Pass provides college students attending graduate schools, universities and colleges, junior colleges, technical colleges (Kotosenmongakko), and advanced vocational schools (Senshugakko) in Hyogo, as well as pre-college students attending Japanese language schools, high schools, advanced vocational schools, and other vocational schools (Kakushugakko) in Hyogo, with free or discount admissions to historical or cultural facilities located in the Prefecture.

By courtesy of public and private facilities in Hyogo, the Pass offers foreign students the opportunity to appreciate Hyogo's historical and cultural assets. By doing so, it aims to help them better understand and feel more attached to Hyogo and Japan.

Please refer to the following notices before enjoying what Hyogo has to offer:

- When entering facilities, please present your Culture Pass together with your student certificate.
- Some of the facilities listed on this pamphlet may require a partial admission fee. You may also be requested to pay full admission to special exhibitions. Please make sure to check discount conditions for each facility listed on page 3 to 19.
- The Pass is valid only for foreign college and pre-college students described above.
- Some of the facilities listed on this pamphlet may only be able to provide services in Japanese. If necessary, please have someone help you with Japanese when you make direct inquiries to them.
